# Beautiful on the outside, the best technology inside

**Quench 720.** The Quench 720 is a medium-capacity bottleless water cooler that typically serves up to 25 people with an endless supply of fresh cold and hot water. The Quench 720 is great for smaller offices or a low-traffic area where you need a convenient source of drinking water, such as a waiting room or lobby.

Ultraviolet sanitization

NSF-certified filters

Safety latch for hot water dispensing

Large dispensing area

Automatic leak detection and shut-off

Extra-large drip tray

Stainless steel tank

Cold and hot water

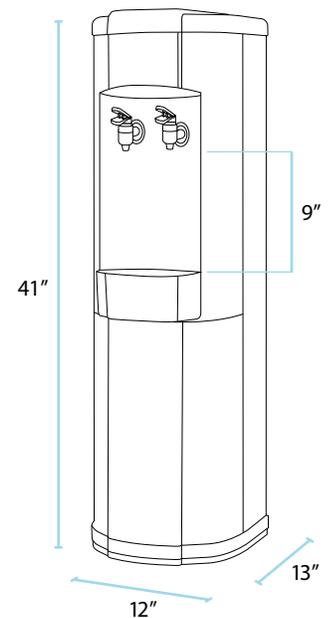

Advanced carbon filtration

Optional reverse osmosis filtration

## A GREEN APPROACH

The Quench 720 prevents up to 150 5-gallon plastic jugs from entering landfills each year.
