Quench 174

Level up with the Quench 174! The Quench 174 uses Keurig® technology to offer unlimited back-to-back brewing for coffee, tea, and hot chocolate every 60 seconds. The easy-to-use touchscreen interface allows users to brew their favorite K-Cup® product in either a 4, 6, 8, 10, or 12 oz. cup. The used K-Cup® pods are automatically ejected into a built-in trash bin after each brew – no need to touch used K-Cup® pods!

Simplicity Meets Productivity

- Brews 4, 6, 8, 10, or 12 oz cups using K-Cups® products
- Intuitive hi-res color touchscreen
- Strong brew option for a bolder, more intense flavor
- Automatic K-Cup® pod ejection and storage
- Instant hot water for soups and instant oatmeal
- Energy efficient with programmable sleep mode and screen saver feature
- Mug shelf flips up to accommodate travel mugs
